Thank you for supporting the ministries of our church here in this corner of the Kingdom. While funds are tight, we are current on all bills, except apportionments. In the previous 3 years, our last quarter giving allowed us to pay our apportionments in full, and we anticipate being able to do the same this year! The finance team and staff carefully monitor income and expenses, often operating without budgeted staff. Our LOFT has provided an avenue to diversify income and assist in covering our utility expenses. In 2019, we celebrate lower property insurance and security monitoring costs. Funding our ministries remains constant as we anticipate the 2019 endowment distribution to build ministry. Your tithe allows to provide hope as together we Become, Serve, Celebrate and Share.
